## Part II: Assessment of Peers

Use the assessment you provided in Part I as a basis for your overall evaluation in Part II.

Please give your overall assessment of other group members' contribution by awarding them each some bonus points. **The bonus points you allocate must sum up to 100.**

E.g. A – 20 points, B – 15 points, C – 25 points, D – 18 points, E – 22 points

You should enter this data in the table below and provide some very brief rationale.

**Please Note: Do NOT include yourself in the assessment below!**

**EXAMPLE GIVEN HERE – PLEASE USE BLANK FORM FOLLOWING**

Group member	Bonus Points	Please include a very brief rationale and make your comments as specific as possible
A	0	Never attended labs or helped on the project
B	30	Did most of the work together on group calls / individually working on our own sections and everyone ended up doing their parts in times for the group calls
C	10	Limited attempts at supporting the team early on but joined in towards the end.
D	20	Worked pretty hard on their own sections
E	20	Worked pretty hard on their own sections
F	20	Worked pretty hard on their own sections
